

# IS NOW *futures* DUNEDIN

## STILL ALL ABOUT GETTING JUNIORS ON THE COURSE!

### Welcome to Term 4

We are excited to become part of the New Zealand Golf network of junior clubs, we are now Futures Dunedin!

What does this mean? Not a lot for our players, however it has given us an opportunity to reflect on what we offer to our club members and where we can make our programme smoother.

With this in mind we now have 2 membership categories:

- Under 14 years - \$100 per year
- Under 19 years - \$150 per year
- Parent & Guardian - \$150 per year

Getting players out on the golf course is a priority for us so we no longer will have fees for playing on Club Days, with the exception of parents and guests. Guests are still able to join us for 3 sessions before signing up.

All juniors have access to coaching, however we are streamlining what we offer to avoid 50 kids with 2 coaches. We now have coaching classes available across most days of the week. Coaching classes run for 6 weeks and cover a variety of skills. Sign up for term 4 now as there are limited spaces. We will invoice for classes at the beginning of the term.

Our U19 membership is slightly higher due to the fact we will be sending on \$50 of every membership to the club nominated by the member. This shows we are focused on giving back to our clubs and it also means U19 players with a handicap can participate in club days and events.

Remember we focus on FUN so no drill sergeants here!

Lots of news to take in, as always keep an eye on the website and Facebook and send me through any questions!

### CAN YOU SPONSOR US?

We require sponsors to allow Futures Dunedin to grow.

We want to be able to offer Golf to all young players and as such we need funding!

We have been fortunate to have Roslyn Physio, Malcolm James Furnishings and New World The Gardens join us.  
CAN YOU?
